

ARTISTIC AND LITERARY COMPETITIONS

For the third consecutive year Lorna Vassallo with the collaboration of Malta Labour Party is organizing four literary and artistic competitions all of which will have the theme "Hidden Poverty Lives". The two artistic competitions are the Art and the Photography competitions, whilst the literary competitions are the Short Story/Essay and Poetry competitions. Participants are left fully free as to what style they choose. Attractive prizes are to be won.

An innovation for this year will be the creation of two categories for literary works in the English language after interest shown by foreigners last year.

Adults and minors up to sixteen years of age will be judged and rewarded separately. All works will be judged bearing a 'nom de plume' by a jury made up of both experts and laymen and anybody participating may opt to be represented by someone else at a reward ceremony to be announced later on. Reward winners will be known only on the eve of the reward ceremony.

Deadline for submitting works is that of the 16th August 2006. For more information please phone 21 330 654, 7944 3906 or send an e-mail to lornav@onvol.net.
